

Weekly Newsletter Friday 21st March 2025

Good Morning Everyone,

I hope you have all had a lovely week

I just wanted to introduce myself, I'm Emma and I am the new part time Church Administrator. After having 3 and a half years off work to raise two beautiful children, I am very happy to be part of a community and help with all administrative duties (and hopefully help relieve Ian and Jackie of some of their responsibilities). I have already been made to feel so welcome which is very much appreciated.

I look forward to sharing updates and events with you each week to keep you updated with what will be happening. If you have any questions or queries, please do not hesitate to get in touch.
